

- 2.13.063** The licence shall expire before its term under the following circumstances:
1. if one of the conditions for automatic revocation set out in this chapter is fulfilled;
 2. if the licence is withdrawn;
 3. if the team does not obtain registration for the following season as per article 2.13.096.

- 2.13.064** In the event of bankruptcy, dissolution or ceasing of activity of the paying agent, the licence is automatically withdrawn; the licence may be returned by the licence commission if the paying agent can be replaced in the short term and the continuity of the UCI Women's WorldTeam can be ensured.

In the event of bankruptcy, dissolution or ceasing of activity of the paying agent, the UCI Women's WorldTeam shall announce its dissolution or the end of its activity as soon as possible to its riders, other members and the UCI administration.

- 2.13.065** In the event of the revocation or withdrawal of the licence, no reimbursement shall be made. Any sums due remain payable and may not be offset.

Referral to the licence commission

- 2.13.066** The UCI may refer a case to the licence commission at any time upon simple written request, a copy of which is sent to the paying agent. The request should indicate the UCI's conclusions which may be amended as the proceedings progress.

- 2.13.067** The measures set out in article 2.13.043 may be imposed by the licence commission in the following cases:

1. if the information taken into account in granting the licence or the registration of the UCI Women's WorldTeam was erroneous and the commission considers that the actual situation did not justify the granting of a licence or registration;
2. if the information taken into account in granting the licence or the registration of the UCI Women's WorldTeam has changed such that the conditions for issuance are no longer fulfilled, or the commission considers that the new situation does not justify the issuance of a licence or registration;
3. if the situation of the UCI Women's WorldTeam, the paying agent, the principal partners or other sponsors is affected or weakened, due in particular to financial problems, health problems, death, dysfunction, disputes or other causes, such that the continuity of the UCI Women's WorldTeam is seriously compromised;
4. if a UCI Women's WorldTeam, as a whole, does not meet or no longer meets all the conditions set out in this chapter;
5. in the event of failure to comply with the UCI's regulations or contractual obligations towards the UCI or members of the UCI Women's WorldTeam, committed by or imputable to the management of the UCI Women's WorldTeam (paying agent, principal partner, manager, sports director, accountant, team doctor and any other person in a comparable position), without prejudice to any other penalties under the regulations;
6. in the event of acts committed by or imputable to the UCI Women's WorldTeam or one or more of its members as a result of which the continuation of the licence would seriously harm the interests or reputation of the UCI Women's WorldTour.

- 2.13.068** The holder shall be heard after summons by the licence commission with a minimum of 10 days' notice.

Before rendering its decision, the licence commission may, if it deems useful and appropriate, set an additional deadline for the UCI Women's WorldTeam to rectify its situation.
