5. POOL OF EXPERTS AND EXPERT PROFILES

The successful tenderers shall have a pool of experts available for individual assignments/tasks. The experts for individual assignments will be selected depending on their availability and experience with regard to the specific requirements related to each project. The pool shall comprise experts of both junior and senior category. You are required to provide only the CVs of experts deemed relevant and experienced on the above-mentioned topics.

For this call in particular, we expect that you should include at least 4 experts; at least 2 'Senior Experts' and at least 2 'Junior Experts' (see below):

5.1 JUNIOR EXPERT PROFILE

The **Junior Expert** shall have:

- Minimum 2 years of professional experience in the field of Cybersecurity, including at least 1 year of professional experience in at least one of the domains listed in Section 4 above;
- At least 2-years of hands-on experience on technical cyber security (systems, software, hardware, mobile);
