**Publication Ref: NEAR/ANK/2020/EA-OP/0056**

**Subject: Supply of Equipment for Final Stop Before Climbing the Ladder: Mantar Cultivation and Technology Commercialization Center**

	<p>The printer softwares are generally developed to be run directly on the machine and therefor licenced to the machine hardware. Therefore the floating network license requirement prevents almost all manufacturers to submit a compliant bid. Therefore we kindly request you to remove this item.</p>	
<b>Q61</b>	<p><b>Item 5.1.13.</b> specification required; <b>“The machine shall have its own software with a single floating network license”</b>.</p> <p>3D machines usually have their own software installed on their own hardware, this licences are not developed to be used as network licences. When the network licensed product is addressed, a single company situation may arise.</p> <p>We kindly request the Contracting Authority to make more competition and change requirement.</p>	<p>Please refer to Changes to Tender Dossier No. 2.</p>
<b>Q62</b>	<p><b>Item 5.1.24.</b> specification required; <b>“The machine shall be supplied with a floating-license offline programming software, CAM system (if not integrated)”</b>.</p> <p>We kindly inform the Contracting Authority that when the network licensed product is addressed, a single company situation may arise which violates fair competition. Therefore, we kindly request the Contracting Authority to change mentioned specification as follows;</p> <p>The machine shall be supplied with a software, CAM system (if not integrated)</p>	<p>Please refer to Changes to Tender Dossier No. 2.</p>
<b>Q63</b>	<p><b>Item 5.1.24.</b> specification required; <b>“The machine shall be supplied with a floating-license offline programming software, CAM system (if not integrated)”</b>.</p> <p>Only a specific portion of CAM software manufacturers offer floating network license. Considering the fact that proposed CAM software and printer shall be validated to be compatible with each other; only specific devices can be offered at this tender. Therefor in order to increase the competition among various manufacturers, we kindly request you to remove this item.</p>	<p>Please refer to Changes to Tender Dossier No. 2.</p>
