- ☰ Return to the menu MirrorLink

Restriction

Restriction of SmartLink applications while driving

For reasons of safety, the operation of some SmartLink applications while driving is not possible or only limited.

Functionality restriction of Infotainment with an Android Auto connection

- ▶ For the duration of the connection, the external device cannot be used as an audio source in the **Media** menu.
- ▶ By connecting the device, all currently connected Bluetooth® devices will be disconnected and the device will automatically be connected as the main telephone.
- ▶ For the duration of the connection, no other Bluetooth® devices can be connected to the Infotainment system.

Functionality restriction of Infotainment with an Apple CarPlay connection

- ▶ For the duration of the connection, the external device cannot be used as an audio source in the **Media** menu.
- ▶ Connecting the device disconnects all currently connected Bluetooth® devices.
- ▶ For the duration of the connection, no Bluetooth® devices can be connected to the Infotainment system.
