

Make sure you prepare and submit your electronic tender in eSubmission early enough to ensure it is received within the deadline specified above under point 2.1.

Tenders must be perfectly legible so that there can be no doubt as to words and figures:

- Technical offer - ***Annex B- Technical Tender Form*** shall be completed and uploaded in e-submission together with any additional documents referenced in the Technical Tender Form.
- Financial offer – ***Annex C- Financial Tender Form*** shall be completed and uploaded in e-submission.
 - The complete Financial Tender Form (Annex C) needs to be uploaded.
 - The total amount of the offer as indicated in the *Simulation* sheet must be encoded in the field “Total amount” under the section “Tender data” in eSubmission.
 - It is the responsibility of each tenderer to ensure that the total amount of the tender inserted in the eSubmission field “Total amount” corresponds to the amount indicated in the uploaded financial offer. In case of discrepancies, only the amount indicated in the financial offer (Financial Tender Form-Annex C) will be taken into account.
