

8. You can now remove the USB flash drive. When disconnected, the HMC message advises you that the USB flash drive was removed (see Figure 7-20). Click **OK**.

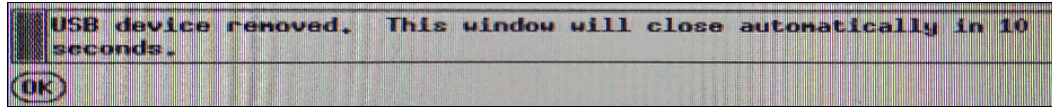

Figure 7-20 Removable media disconnected from HMC

9. Click **Cancel** to exit all of the OSA Advanced Facilities windows.

Example 7-1 shows a source file on the USB flash drive.

Example 7-1 OSA-ICC - sample source file
