- 2.6.016** The team classification for the day shall be calculated on the basis of the sum of the three best individual times from each team except the team time trial that is governed by the specific regulation of the event. If the teams are still tied, they shall be separated by the placing of their best rider on the stage classification.

The team general classification shall be calculated on the basis of the sum of the three best individual times from each team in each stage ridden. In the event of a draw, the following criteria shall be applied in order until the teams are separated:

1. number of first places in the daily team classifications;
2. number of second places in the daily team classifications;
3. etc.

If there is still a draw, the teams shall be separated by the placing of their best rider in the general individual classification.
