

A man from the chest up, wearing a light blue button-down shirt, stands with his hands on his hips. The background is a solid, vibrant red. The lighting is soft, highlighting the texture of the shirt and the contours of his body.

The heart
represents life.

For Edwards Lifesciences,
the human heart and circulatory
system are the center of our universe,
their care and treatment the core of
our business. With a four-decade
legacy of working as trusted partners
with leading clinicians and scientists,
we have developed innovative products
that have helped save and improve
the lives of patients around the
world. Welcome to the heart of
a company that is a global
leader in the fight
against advanced
cardiovascular
disease.
