Remark: Tenderers that are already registered in the Agency's accounting system (i.e. they have already been direct contractors **with ENISA** in the past) must provide the filled in form but are not obliged to provide the supporting evidence.

The form needs to be printed, filled in and then scanned and uploaded in the Qualification section. In case of a joint tender, it has to be uploaded in the **"Documents"** section of the Consortium Leader.

(iii) Power of Attorney

In case of a joint tender, an Agreement / Power of Attorney for each partner must be filled in, signed by (an) authorised representative(s), scanned and uploaded. Please choose 'Model A' for an ad hoc grouping or 'Model B' for a legally constituted consortium - see templates in Annex V (a) and (b)

(iv) Lots interested in *(only in case the tender has multiple lots)*

The tenderer must indicate for which lots the tender is applicable, by ticking the relevant boxes in the section: **"Interested in the following lots"**.

b) Information regarding exclusion and selection criteria:

The tenderer is requested to submit the following documents:

1. Declaration by the Tenderer relating to the exclusion criteria (see 3.1 below)

The filled-in Declaration form.

In case of a joint tender, each member of the consortium has to submit a declaration under the respective party name (see template in Annex II)

2. Documents certifying economic and financial capacity (see 3.2.2 below)

In case of a joint tender, each member of the consortium has to submit the documents under the respective party name.

3. Proof of technical and professional capacity (see 3.2.3 below)

In case of a joint tender, each member of the consortium has to submit the documents under the respective party name.

If any of the above documents are associated with a specific Lot, please indicate for which Lot it is applicable inside the document AND in the Description field of the attachment (*only in case the tender has multiple lots*).

2.4 TENDER DATA

a) Technical proposal

The technical section is of great importance in the assessment of the bids, the award of the contract and the future execution of any resulting contract.

The technical offer must cover all aspects and tasks required in the technical specification and provide all the information needed to apply the award criteria. Offers deviating from the requirements or not
