Non-Competition Agreements

The Company issued stock options to certain former shareholders of an acquired entity in exchange for non-competition agreements and a consulting agreement. These assets are being amortized over the legal term of the individual agreements. A portion of these agreements was amortized over five years and as of January 29, 2005, these are fully amortized. One remaining agreement is being amortized over a 10-year period. In addition, in 2003, the Company entered into non-competition agreements with former executives of Greenbacks, Inc. which are being amortized over five years (see Note 10).

Favorable Lease Rights

In 2004 and 2002, the Company acquired favorable lease rights for operating leases for retail locations from third parties. In addition, in 2003, the Company acquired favorable lease rights in its acquisition of Greenbacks, Inc. (see Note 10). The Company's favorable lease rights are amortized on a straight-line basis to rent expense over the remaining initial lease terms, which expire at various

dates through 2016.

Goodwill

In accordance with SFAS No. 142, goodwill is no longer being amortized, but is tested at least annually for impairment. In addition, goodwill will be tested on an interim basis if an event or circumstance indicates that it is more likely than not that an impairment loss has been incurred. The Company performed its annual impairment testing in November 2004 and determined that no impairment loss existed.
